Results of Palestinian Public Opinion Poll
No. 53
13-15 October 2016

Background

The Palestinian Government has issued a decree deferring the municipality and local council elections which were supposed to be held in the Palestinian territories in November, 2016. The decree was issued after the ruling made by the Palestinian Supreme Court to the effect that elections are to be conducted only in the West Bank. After the signed agreement between Fateh and Hamas to end the Palestinian split, nothing was carried out of the agreement other than the formation of a Palestinian coalition government; the other items have not been implemented.

The Results

Following are the results of the Palestinian Public Opinion Poll no. 53 conducted by the Center for Opinion Polls and Survey Studies at An-Najah National University during the period from 13-15 October 2016. **The University sponsors all polls conducted by its Center.**

This poll undertakes deferring the municipality and local council elections which were supposed to be held in the Palestinian territories in November, 2016, the boycott campaign of Israeli goods and products, the possibilities of conducting presidential and legislative elections in addition to the political affiliations of Palestinian people.

The sample included 1362 persons whose age group is 18 and above and who have the right to vote. The enclosed questionnaire was distributed on 862 persons from the West Bank and 500 persons from the Gaza Strip. The sample was drawn randomly and the margin of error is about $\pm 3\%$; still 1.8% of the members of the sample refused to answer the questionnaire.

The opinions represented in the results reflect those of the study; they do not, by any means, represent the opinion of An-Najah National University.
